Document Body

I hope to go over any remaining EPA comments before you go to public notice. I'll send you the review ahead of time. I'll likely have another person from our WQS branch (she's in training), and perhaps someone from our Office of Regional Counsel to listen in. Both are new to Tribal standards so it'd valuable for them to listen.

Thursday looks best. I'll get back to you with a time as soon as I coordinate with the others.

Kathy

For next week, Wednesday afternoon and all day Thursday works for me and Naomi. What is it you'd like to discuss on the call? Who from EPA will be on the call? Thank you!
Pam

Pam,

Thanks for checking. The Bad River WQS have been on my mind this entire week! I'd like to perhaps set up conference call with you next week. What does your schedule look like?

Hi Kathy,
Just wondering what your status is on EPA's review of Bad River's WQS
draft. Thanks!
Pam
